

PLAN OF THE TOWN OF **SAINT HELEER** AND ITS SUBURBS SHOWING THE POSITIONS, DIMENSIONS AND LEVELS OF THE EXISTING SEWERS AND BROOKS AND THE SURFACE LEVELS OF THE ROADS AND STREETS &c.

1907.

Note. The levels of the surfaces of the Roads &c. and
those of the levels of the Sewers and Brooks
are expressed in feet above Low Water of Spring-tides
or Low on the Admiralty Chart.
With the exception of the more important buildings,
those that are more than 60 feet from the nearest roads
are not shown.
